Mayor's Report:

- The Skunk issue cannot be solved by the Village. Eliminate feeding the stray cats.

Administrator's Report:

- **E. Yeasting Street/Rodriguez Street Project-** D2 continues to work on the project with a Monday through Thursday (10-hour days) schedule. New water line is in and operational as well as new meter pits. Septic tanks and connections will be next followed by yard rehab and paving.
- **Logyard Project-** Landscaping work has begun. Fencing will start soon. Block work, electric and lights will be completed last. Benches and tables have been moved to the area.
- **Bear Sculpture-** The sculptor has informed us that delivery from Virginia will be made on August 19th.
- **Lemonade Stand-** The event took place on July 13th in Williams Park and was another huge success. About 40 different stands this year with great media exposure from WTOL, 13abc, News Messenger and The Press. Pictures have been posted on social media.
- **Bulk Trash Drop Off Days-** A total of twelve 40-yard roll offs was filled during the two days (July 26th and July 27th). There were eight roll offs on site the entire time. No major issues of note. Credit to the summer help who worked extremely hard both days unloading vehicles that came through.
- **Economic Development Numbers-** From the last Sandusky County EDC Meeting, Project List numbers so far for 2024 show leads for Gibsonburg properties (26 leads countywide):
 - o Clearview- 4
 - o CR 85- 3

As always, we will continue to submit any leads related to economic development that come in for both properties.

- **CVS-** As you all are aware; CVS is slated to close at the end of the month. A small group of individuals has been working hard to find a solution to the absence of a pharmacy in the area. We have been in contact with all of our local, state and federal elected officials as well as representatives from CVS, the Ohio Pharmaceutical Board and the University

of Toledo School of Pharmacy. We are actively looking for funding and a location for a new pharmacy business to potentially open in the community.

- **Hispanic Heritage Festival-** Resolution for permission to operate a Beer Tent for the festival is on the agenda this evening.
- **Downtown Mural Art Grant Final Report-** Final report has been sent to the Ohio Arts Council and reimbursement has been received.
- **Capital Budget Funds-** Final report and draw for the funds allocated to the Village has been sent to ODNR and the remaining \$14,700.00 from the Capital Budget Funds has been transferred to us. Grant has been closed out.
- **Natureworks Grant Funds-** Final report and draw request for the grant received has been submitted and accepted by ODNR. The grant will be closed with ODNR as soon as funds have been received.
- **Water Tower Inspection and Painting-** The tower will be taken down for washout inspection and painting the week of August 5th. In preparation for Leary Construction doing the work for us, we have fully tested the variable speed drives on the motors and replaced the transfer switch for the emergency generator.
- **Circus Grimaldi-** As a reminder, the circus will be in Williams Park on August 17th and 18th. Three shows total and the Village will receive some of the proceeds from ticket sales. Circus Grimaldi DOES NOT have live animals. Their shows feature clowns, jugglers, magicians, acrobats, etc.... Tickets are available online by visiting: circusgrimaldi.com.
- **NPDES Permit Renewal-** No further updates to provide. The permit to operate a Wastewater Treatment Facility and discharge treated water is still being reviewed by the Ohio EPA and we continue to answer any questions they may have.
- **Cookout With the Cops-** The annual event will take place on Friday, August 9th at 12:00pm in Williams Park. New this year will be a school supply collection (pencils, paper, notebooks, crayons, etc....) that will be given to Hilfiker Elementary.
- **OML Summer Conference-** I will be out of the office on Friday, August 2nd and attending the Ohio Municipal League Summer Conference in Sandusky.
